

The background is a textured purple surface. Scattered around the text are various game-related items: three orange dice with white pips, a yellow and blue die with letters 'A', 'L', and '5', a fan of playing cards including the King of Spades and Queen of Hearts, a stack of yellow and blue chips, a blue and white chess king and queen, and a colorful spinner. The text 'FAMILY GAME DAY' is centered, with 'FAMILY' in white, 'GAME' in orange, and 'DAY' in blue, all with thick white outlines.
